

Question 1 SET 1

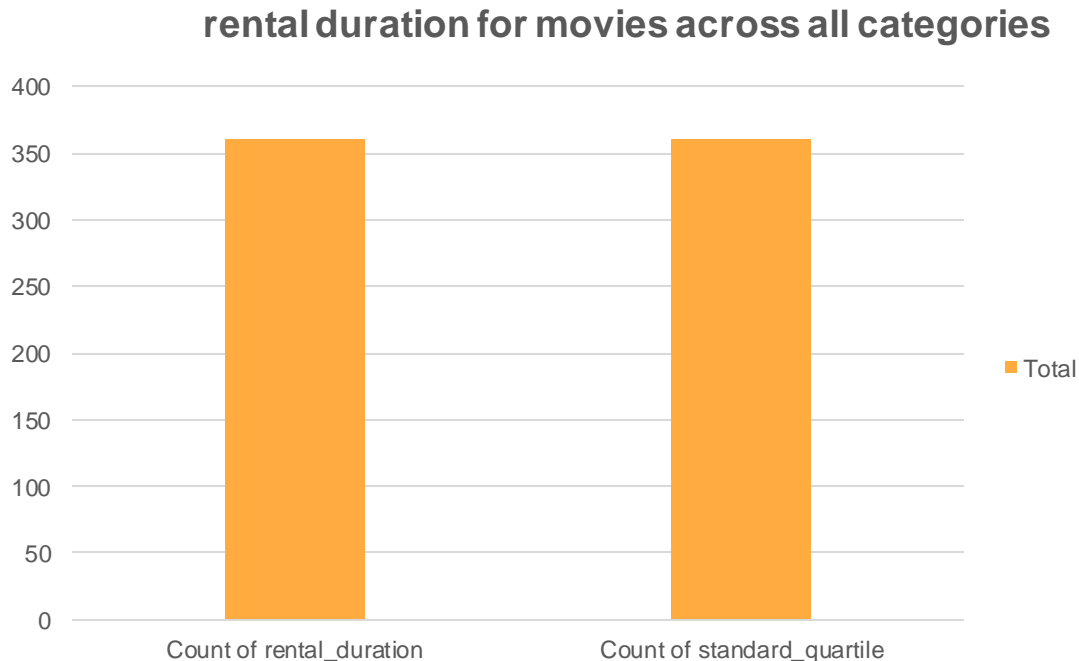

- We want to understand more about the movies that families are watching. The following categories are considered family movies: Animation, Children, Classics, Comedy, Family and Music.

QUESTION 1 SET 2

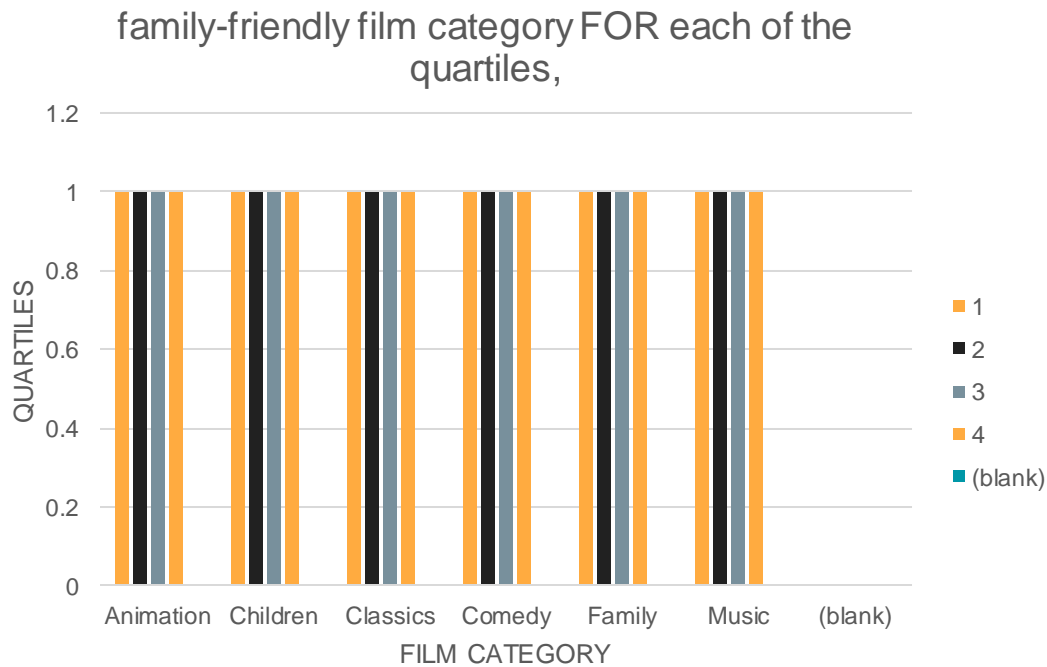

- We want to find out how the two stores compare in their count of rental orders during every month for all the years we have data for.

QUESTION 2 SET 1

- Now we need to know how the length of rental duration of these family-friendly movies compares to the duration that all movies are rented for.

QUESTION 3 SET 1

- Finally, provide a table with the family-friendly film category, each of the quartiles, and the corresponding count of movies within each combination of film category for each corresponding rental duration category.
